Always thinking big and in collaboration with Bill Viola Studio, Lio Malca, the famous art collector presents tonight in La Nave Salinas two masterpieces of this iconic North American contemporary artist.

The exhibition will open tonight, Thursday 21 June from 8 pm to 10 pm, and it will be available until 13 October.

For the first time in Ibiza, **La Nave Salinas** will be showing two of the most acclaimed works of the audio-visual artist: 'Fire Woman' and 'Tristan's Ascension (The Sound of a Mountain Under a Waterfall)', which were originally created in 2005 as part of a production for the Richard Wagner's opera *Tristan and Isolde*.

These large-scale installations will be part of the current exhibition along with other fabulous works of the previous season, including **Keith Haring's** impressive paintings. And... **the entrance is free.**

Don't miss it!
